WHO WE ARE

The North Shore Art Society was formed back in 1946 at Mosman by Dr. Elliot Smith. Meetings and exhibitions were held at Mosman Town Hall until the hall's refurbishment in the mid 1980's, when the Society moved to the Narrabeen Tramshed.

The purpose of the Society has always been to gather together artists and painters of the North Shore and Northern Beaches for an exchange of views, to hold public art exhibitions, and to invite other artists to give demonstrations and workshops.

Over the years many well known artists have been members: Sir Eric Langker, Allan Hansen, Molly Flaxman, Lionel Lindsay, Richard Ashton, Betty Belcher, Harold Hanke, Frank Spears, Fred Goss, Allan Waite, Charmain McGregor, Alan Greave and Elsie Dangerfield and many others.

Usually three exhibitions are held each year at various venues when members can exhibit and sell their works. A percentage of the sales goes towards running costs of the Society.
Exhibitors assist with the running of these events either by help set up or by being on duty during exhibition hours. These times are very sociable and great fun, while at the same time raising funds for the Society.

The Society runs demonstrations and workshops several times during the year. Venues and dates will be in your newsletter. A Fee of $10 for members will be charged to help with the cost of Hall rental and Demonstrator. (Includes morning tea).
